Please join us for the Fall 2015 Ka Pilina: AIM Together Project Professional Development (PD) Series. Each session is 4 hours with engaging activities to build your skills in supporting your students to succeed in mathematics. This year’s PD is a hybrid model – 2 PDs are in person and 2 PDs are online.

The first PD is in-person on August 29, 2015. To register for the first PD, please go to http://tinyurl.com/KaPilina-PD1-Fall2015.

Following are the topics covered and tentative dates:

- **8/29/15** Ka Pilina Project Overview
- **9/26/15** Blended Learning
- **10/24/15** Culturally Responsive Teaching/ Ethnomathematics
- **11/21/15** Universal Design for Learning

To learn more about how to sign up for the PDE 3 Course, contact Kiriko Takahashi at Kiriko@hawaii.edu. Attendance to all four PDs are mandatory to obtain 3 credits for the course.

If you have any question about the grant, the workshops, or would like to participate, please contact Kiriko Takahashi at Kiriko@hawaii.edu or (808) 956-4457 or Justin Toyofuku at justinst@hawaii.edu.

About the Project: Ka Pilina is funded by the US Department of Education housed at the Center on Disability Studies at UH Manoa (Award # S362A120030). The goals are to improve mathematics outcomes of 7-12th grade students by applying mathematics in a local context and using intelligent tutoring system.
