Assistive Technologies Workshop @ Honolulu Community College

Faculty, staff and students are encouraged to attend this workshop to learn about the benefits of assistive technology (AT) to enhance learning.

Assistive Technology Resource Center of Hawaii (ATRC) will provide information and hands-on opportunities with various types of assistive technologies such as Dragon Naturally Speaking and ErgoRest.

Date: February 11, 2011 (Friday)
Time: 3:00 PM – 4:00 PM
Location: Bldg. 2, Room 214, HCC

Sponsored by: The Pacific Alliance for Supporting Individuals with Disabilities in Science, Technology, Engineering and Mathematics Fields. For more information visit the Pacific Alliance website: www.cds.hawaii.edu/pacificalliance/
