SAVE THE DATE!
Aloha Teachers and Administrators;

Please join us for three professional development sessions focusing on how to effectively implement Active/Cooperative Learning in your classroom. These upcoming sessions will provide practical, hands-on approaches to effective implementation. Active/Cooperative learning is an evidence-based strategy and when implemented correctly, will improve achievement for all students.

Varied forms of technical assistance will be offered after each session and provided by staff with the University of Hawaii, Center on Disability Studies staff.

**Dates and Topics:**
9:00 – 12:00  Saturday, January 23rd, 2010
